SOPREMAPOOL PREMIUM

150/100

Description / Descrizione / Descripción / Description

- Membranes PVC armées de 1,5 mm vernis en surface pour une grande durabilité et protection ultime des couleurs contre les rayons UV, les micro-organismes et le chlore.
- Membrane rinforzate in PVC da 1,5 mm. La laccatura garantisce una maggiore durata e resistenza allo sbiadimento del colore, cloro, macchie, microrganismi e raggi UV.
- Membranas armadas de PVC de 1,5 mm. La capa de barniz en la cara superior proporciona una mayor durabilidad y resistencia al desvanecimiento del color, al cloro, a las manchas, a los microorganismos y a los rayos UV.
- 1.5 mm PVC reinforced membranes. The varnished coating provides greater durability and resistance to colour fading, chlorine, stains, microorganisms and UV.
